R RAMANA

ABOUT ME

I am passionate and take a strong interest in solving complex problems. I enjoy interacting and learning about people, and hence I am comfortable and can work well in teams. I have a zeal for green technology, medical technology, as well as Artificial Intelligence. I currently possess knowledge in multiple programming languages namely C, C++, Verilog, HTML, CSS. I have a thirst for knowledge and being an autodidact, I am self-taught in python and am currently learning JavaScript.
